MULTI-TASK TIMER & CLOCK

Multi-task effortlessly in the kitchen with the Multi-Task Timer & Clock (TM8) from CDN.

Used in thousands of coffee houses worldwide, this easy-to-use combination timer and clock operates at the slide of a switch and the touch of a button. Simply slide the mode switch on the side to set the timer to count up or down or display the clock. The unit counts 24 hours up or down by hours, minutes and seconds. Its loud alarm enables the user to hear above the noise in a busy foodservice environment. The unit also features a memory button to recall the user's favorite settings.
