4160 Eyewear Clip-On Disposable Face Shield

Designed for use with IProtect® and I-Fit Flex® safety glasses (sold separately)

Figure 1

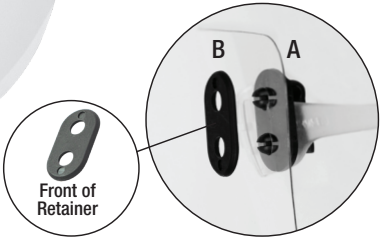

Figure 2

Assembly Instructions:

1. Remove protective film from both sides of face shield. Handle carefully.
2. On a firm surface, hold eyewear in place while firmly pushing opening of Clip over wide end of temple with Clip posts facing outward. (Figure 1) Repeat on opposite temple.
3. Insert Clip posts (A) through holes in face shield. Ensure front of Retainer (B) is facing outward and snap the Retainer to Clip posts. (Figure 2)
4. Wrap face shield over front of eyewear and repeat Step 3.

Notes:

- ⚠ Warning! Face shield is not impact rated.
- Replace face shield if damaged or if clip retention diminishes.
