COMBO PROBE THERMOMETER, TIMER & CLOCK

The popular do-it-all Combo Probe Thermometer, Timer & Clock (DTTC) now has added features that make it even more functional than ever before. The three-in-one thermometer plus timer features an updated design and easy-to-read buttons, along with the addition of a higher heat sensor cable, giving it maximum versatility and ease of use in the commercial kitchen.

The new high-heat sensor cable has the ability to withstand temperatures up to 716°F/380°C, ideal for grilling, broiling and other high-heat applications. The new sensor cable ensures the precise temperature measurement needed for best culinary results.

FEATURES

- 5.5" (14.0 cm) probe
- 3' (91.4 cm) high heat sensor cable (heat resistant up to 716°F/380°C)
- Dual progress display
- Counts up/down
