ASSEMBLY INSTRUCTIONS

COMPONENTS

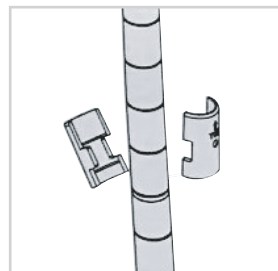

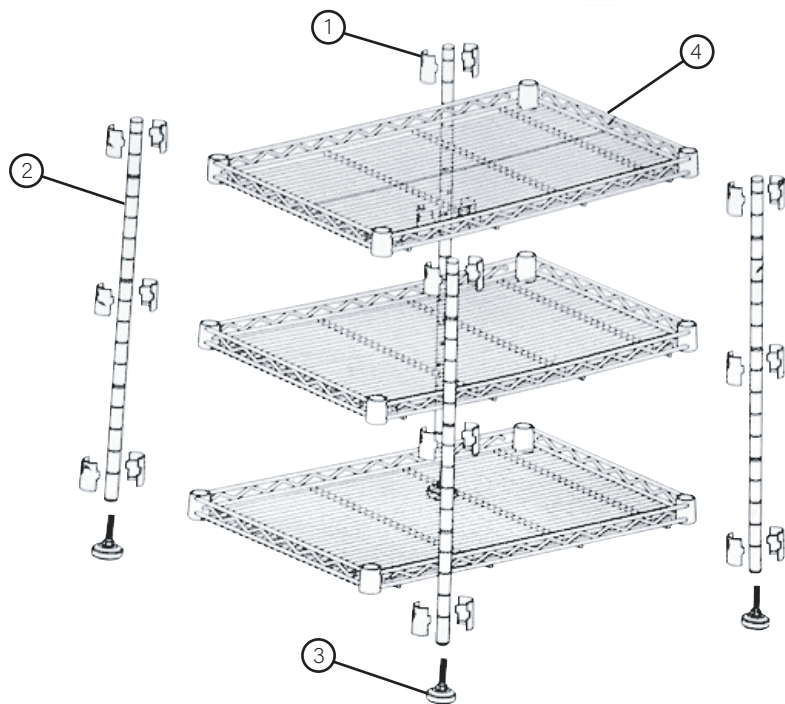

Be sure to identify and confirm you have received all parts before assembly.

TOOLS NEEDED (NOT INCLUDED):

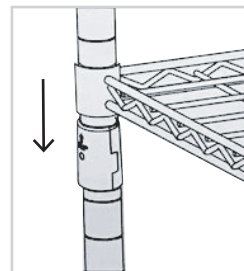

- 1 Protect floor with a piece of cardboard. Clip two Sleeves(1) together at desired height of bottom Shelf(4) on each of the Posts(2), ensuring that arrows on Sleeves face up.

- 2 Slide one Shelf(4) over tops of all four Posts, and over installed Sleeves. Secure with Rubber Mallet. Repeat with middle and top Shelves, then screw Levelers(3) into bottom of Posts, as shown, adjusting until unit does not wobble.
