THERMOMETER PROBE WIPES

CDN expands its extensive foodservice line with Thermometer Probe Wipes that promote food safety in busy commercial kitchens. There are two packaging options from which to choose. Designed for quick application, the Thermometer Probe Wipes (PW90) come in a pop-up container that is compact and easy to use. The Thermometer Probe Wipes - Single Use Packets (PW200) offers 200 individually wrapped wipes. A bulk package of five PW200s (PW1000) is also available as a convenience for busy kitchens. All are designed to help professional chefs avoid cross-contamination of foods.

FEATURES

- For cleaning thermometer stems and probes
- Each wipe saturated with 70% Isopropyl Alcohol
- Expiration date on package in lieu of warranty
