

ASSEMBLY INSTRUCTIONS

COMPONENTS

- 1. Sleeve x 40
- 2. Top Post x 4
- 3. Cross Brace x 4
- 4. Grid Panel x 12
- 5. Sign Channel x 4
- 6. Bottom Post x 4
- 7. Basket
- 8. Caster x 4 (2 locking)
- 9. Hook x 48

Be sure to identify and confirm you have received all parts before assembly.

TOOLS NEEDED (NOT INCLUDED):
 Rubber Mallet

- 1 Protect floor with a piece of cardboard. Use Rubber Mallet to hammer Casters(8) into Bottom Posts(6), then screw Top Posts(2) to Bottom Posts.

Clip Sleeves(1) to 7th notch from bottom on all Posts, then slide Basket(7) over Posts and onto Sleeves. Tap down with Rubber Mallet to secure.

Clip Sleeves to 54th notch from top, then slide 1 Cross Brace(3) over posts and onto Sleeves. Tap down with Rubber Mallet to secure. Repeat with remaining Sleeves and Cross Braces at 18th notch from top, then at the very top notch.

- 2 Hang Grid Panels(4) onto top 3 Cross Braces(3). Each Cross Brace holds one on each side, and two in the middle. Hang Hooks(9) where desired.
