Installing 148-FILTER on 1733-3

Step 1 - Place **Spigot** with **Flat Outer Wall Washer** into the beverage dispenser opening.

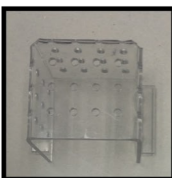

Step 2 - Place **Concave Inner Washer** onto **spigot**.

Step 3 - Place **attachment** inside beverage dispenser and onto the **spigot**.

Step 4 - Add the **nut** after and hold in place. Use the **spigot** as a wrench to tighten unit until secure.

Step 5 - Clip in the **Pulp Filter** and you are done!
