Designed Smart.

- The W-3V has an unique "serpentine shaped" heating element that evenly distributes heat throughout the unit.
- Provided with insulation to protect interior parts and countertops from heat build-up.
- Able to utilize warmer in wet or dry applications.

Built Solid.

Built to Last

- Exterior constructed with heavy duty stainless steel for excellent durability.
- Interior liner formed out of tough stainless steel.
- Steel "element support" stabilizes heating elements and reflects heat toward food.

Reliability backed by the Industry's Best Warranty

- This APW Wyott Warming Equipment is backed by a 1-year Parts and Labor warranty, including our "Enhanced Warranty" service that replaces new units with certain product issues through the convenience of direct factory shipments.
- Certified by the following agencies:
