Designed Smart.

- Utilizes counter display space more efficiently.
- CW-3A and the W-43V have 35% more display capacity with extended 27-inch length vs. standard 20-inch models.
- Both models have unique "serpentine shaped" heating elements that evenly distribute heat throughout the unit.
- Provided with insulation to protect interior parts and countertops from heat build-up.
- Able to utilize W-43V warmer in wet or dry applications.
- CW-3A is ideal for thawing frozen soup and then holding thawed soup at NSF-safe serving temperatures.

Built Solid.

Built to Last

- Exterior constructed with heavy-duty stainless steel for excellent durability.
- Steel "element support" stabilizes heating elements and reflects heat toward food.
- Interior liner formed out of tough stainless steel.

Reliability backed by the Industry's Best Warranty

- These APW Wyott Warming Equipment styles are backed by a 1-year Parts and Labor warranty, including our "Enhanced Warranty" service that replaces new units with certain product issues through the convenience of direct factory shipments.

- Certified by the following agencies:
