Tacki Back

a
the andersen company

SURE STRIDE™

- Surface is Certified High Traction by the National Floor Safety Institute which provides a safe walking surface
- Tacki Back adhesive system keeps mat flat and in place – even with cart and buggy traffic
- Very low profile reduces tripping hazard
- Moisture barrier keeps liquids from soaking through to the floor
- Mat constructed from durable polypropylene fabric and is easy to clean
- Fabric has 35% more fiber than similar competitive products
- Absorbs up to 10 gallons per roll – 25% more than similar competitive products
- Quick and easy to install. Cut individual mats as needed from roll.
- Will Perform up to 3 months under normal use
- Recommended for commercial use on hard floor surfaces to prevent slips, trips and falls caused by wet floors

DISCLAIMER: The customer accepts responsibility in the event that the adhesive backing transfers onto the floor. The water soluble adhesive can be easily removed with soap, water and a brush. Sure Stride mats should be replaced if they show signs of wear or damage and should always be changed out within 3 months to guard against adhesive transfer to the floor.
