# INSTA SAN

## INSTANT FOAM HAND SANITIZER

### FEATURES

- NON-ALCOHOL FORMULA
- A PREMIUM, INSTANT LATHERING SANITIZER
- MILD ON HANDS
- FAST DRYING AND NON-STICKY
- CONTAINS A PROVEN ANTIMICROBIAL AGENT

### PRODUCT DESCRIPTION

**INSTA SAN** is a premium, instant, lathering hand sanitizer. This formulation features an exceptional skin feel, conditioning and moisturizing properties. It contains an antimicrobial agent proven effective in removing bacteria from hands. **INSTA SAN** kills 99.9% to 99.9999% of most common germs that may cause illness. **INSTA SAN** produces a rich lather that gently sanitizes skin. Safe on sensitive skin. Fresh scent makes hand sanitizing a pleasant experience.

### AREAS OF USE

For use in all facilities, including restaurant, schools, office building, supermarkets etc.

### USE DIRECTIONS

Dispense **INSTA SAN** directly from its shipping container into a foaming dispenser. Ready to use. Foaming Dispensers are available through your authorized INTEGRA distributor:
