

# ColorScape Collection

## Use and Care Instructions:

**DO NOT** use harsh or abrasive cleaners. Steel wool or any type of plastic or metal scouring pads should only be used on the interior surface. The use of these products on the exterior surface will remove the finish.

**DO NOT** put in a broiler. Vessels may be used in oven up to 400°F. Safe for use on Induction, Gas, and Electric cook tops.

**DO NOT** put in commercial dishwasher. For best results, hand washing is recommended.
