

DISPLAY CASE COVERS

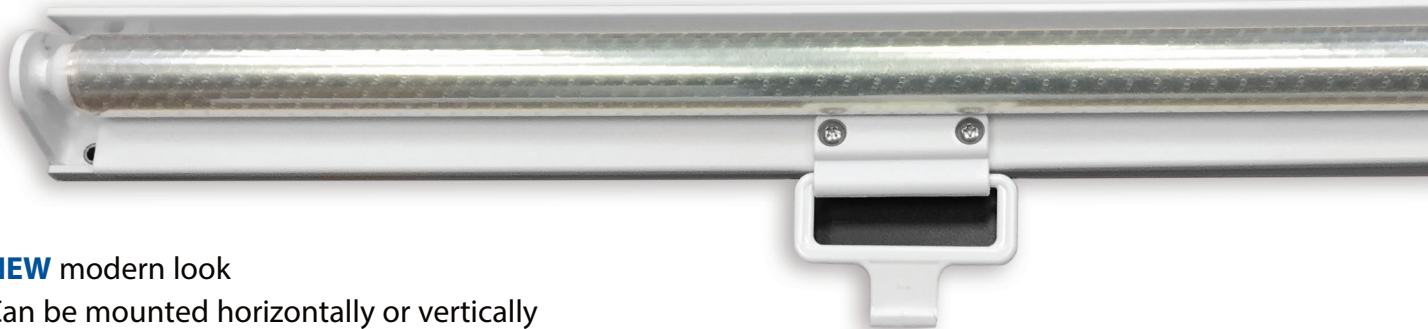

CURTRON DISPLAY CASE COVERS

Curtron Display Case Covers keep cold air inside an open display case when not in use. Self-storing Display Case Covers are comprised of clear PVC film. Standard Display Case Covers are 48" wide and pull out to a length of up to 72"; custom Display Case Covers are available to fit any size display case.

FEATURES

- Prevents cold air from escaping the display case
- Easily retracts into its case when not in use
- Mounts directly to the display case
- Perfect for restaurants, grocery stores and convenience stores.

SINGLE ACTION DISPLAY CASE COVER

- **NEW** modern look
- Can be mounted horizontally or vertically without the worry of sagging

ALSO AVAILABLE IN DOUBLE ACTION:
