

932

## MANUAL JUICER

- **Flexibility...**  
Designed to extract pure citrus juices from oranges, lemons, limes, and grapefruits.
- **Dependability...**  
The model 932 Manual Juice Extractor is considered the standard worldwide because of its dependable performance.
- **Maximum Juice Extraction...**  
The extractor arm exerts up to 2,000 lbs. of pressure, ensuring maximum juice output, while minimizing skin oil and pulp residue.
- **Strainer Cone and Funnel...**  
The strainer cone and funnel are easily removed for cleaning.
- **Swing-Out Juice Collector Cup...**  
Designed for convenience, the juice collector cup swings out, allowing the operator to easily obtain the extracted juices.
- **Acid-Resistant Finish...**  
The chrome and porcelain components, as well as the enamel finish resist citrus acids.

### Unique Features:

#### **Rack and Pinion Gearing...**

2,000 lbs. of pressure makes juice extraction effortless.

#### **Sure Grip Feet...**

Prevents skidding—won't mark countertops.

### Specifications:
