Mini Vertical Warmer

Model: MVW-12-4

Hatco's new patent pending Mini Vertical Warmer is our newest answer to impulse point-of-sale demands. The Mini Vertical Warmer is small enough to set anywhere, keeping prepackaged snacks warm, appealing and at your customer's fingertips. There's nothing better than a warm treat!

Standard features

- Ability to connect up to eight units side-by-side, while only utilizing one outlet connection
- Clear Polycarbonate hinged cover lets you see product levels at a glance
- Comes standard with *Designer* Black exterior and Aluminum interior walls
- Holds cookies, brownies, and other snacks at optimum warm temperatures
- Adjustable thermostat on back of unit
- Accessory wall mount bracket saves on counter space, and draws attention at eye level
- Great for merchandising warm snacks
- For pre-packaged non hazardous foods
