 # N55600-3 (3/8" size)
 # N55600-7 (7/32" size)

EASY Tomato SLICER™

Compact, sturdy and easy to use!

In seconds, Nemco's new Easy Tomato Slicer™ can cleanly cut mounds of uniformly sliced tomatoes. It's NSF listed and it features a unique new design for fast, trouble-free operation and easy clean up.

- **Compact size**—saves space

- **Razor sharp, stainless steel blades**

- **Protective guards**

- **Sturdy push block**—removes easily for cleaning

- **Unique design**
 - assures blade and pusher alignment
 - provides long life
 - simple, trouble-free construction

- **Slide Board**—made of durable polyethylene

Now it's easy to slice tomatoes for:

- Hamburgers
- Subs
- Salads and Salad bars
- Sandwiches
- Prep tables
- Condiment trays

Built to last:

Like all Nemco products, the Easy Tomato Slicer is designed, engineered and built for years of reliable service. Sturdy construction holds up to the toughest day-in, day-out use. And it's a snap to clean!

NSF listed:

The Easy Tomato Slicer™'s National Sanitation Foundation (NSF) listing assures foodservice operators that the equipment is manufactured in compliance with the sanitation standards established by the NSF. These standards are both locally and internationally recognized.
