

# Baby Changing Stations

# Smarter Baby Changing Stations

Provide best-in-class safety and antimicrobial protection with new Rubbermaid Baby Changing Stations. The user-friendly, easy-to-clean ergonomic design meets all applicable global safety standards and regulations.

**ACCESSORY SHELF**  
Shelf keeps baby changing supplies at hand, while keeping them safely out of the child's reach.

**STATION LINERS**  
Built-in, easy-to-service dispenser holds up to 40 liquid barrier disposable liners (7817-88, sold separately).

**SAFETY**  
Meets all applicable ASTM, ADA, FDA, and EN global safety regulations and standards, improving user peace-of-mind.

**CLEANABILITY**  
Cleaning and maintaining the Rubbermaid Baby Changing Station is easy with its smooth, crevice-free design and large radius corners.

**HYGIENIC PROTECTION**  
Manufactured with an antimicrobial agent that inhibits the growth of odor- and stain-causing bacteria and helps reduce the risk of cross-contamination.

## HORIZONTAL VERSION

7818-88 Horizontal Baby Changing Station

**ERGONOMIC DESIGN**  
Rubbermaid Baby Changing Stations offer facility managers a choice between horizontal and vertical designs to fit any restroom or changing room layout. The ergonomic design provides convenient, one-handed opening.

## VERTICAL VERSION

7819-88 Vertical Baby Changing Station

**EASY-REACH HOOKS**  
Built-in hooks positioned above the changing platform provide ready access to a diaper bag or purse, allowing the caregiver to concentrate on the child.

**DOOR SIGN**  
Our universal sign indicates a Rubbermaid Baby Changing Station is in your facility. One door sign is included with each Baby Changing Station.

**LIQUID BARRIER LINERS**  
Station liners are available in case quantities of 320 liners (7817-88).

**MOUNTING KIT**  
A Mounting Kit is included with each Baby Changing Station and contains mounting parts for a variety of wall surfaces. Additional kits can be purchased if relocation or remounting is necessary (7816-88).
