

MODULAR COUNTER SUITE

In a busy foodservice environment, the needs of your customers can change moment to moment. San Jamar's new Modular Counter Service Suite allows you to provide easy, organized access to anything from beverage straws to food condiments.

The Modular countertop organizer family shares a common base that allows you to mix and match interchangeable inserts so you can customize your patron's experience. The Modular System supports shallow and deep trays that hold straws, lids, condiments, utensils and many more options. The system also supports San Jamar's Mini Domes® as well as 1/6 size GN pans to help you adapt to any application.

MODULAR ORGANIZER

The Modular Organizer series includes shallow & deep trays for storing and displaying product & condiments. Multiple units can be interlinked with rubber non-slip feet that keep organizers aligned and connected.
