Pump/Dispenser Accessories Stainless Steel Jar and Lid

SPECIFICATION SHEET

FAST FACTS

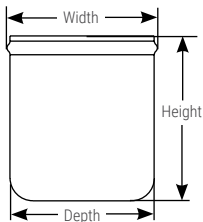

Stainless steel jars make it easy to store or dispense homemade sauces or heated toppings that have been transferred from pouches.

DETAILS

- For use in place of a #10 can
- Accompanies various pumps, stands, servers and warmers
- Store extra toppings safely with 94008 lid (sold separately)

STAINLESS STEEL JAR, 3 QUART

Perfect for ambient, cold or heated applications, stainless steel jars keep unsightly rust marks from your water vessel and eliminate the need to peel off labels from #10 food cans.
