

VIPER® PRO

THE STORY

Our all-in-one Viper PRO Tool was developed to safely and efficiently open bagged foods, packaging and shrink wrap. The patented design minimizes laceration injuries and significantly lowers the risk of cross-contamination.

Item #VP-PR1

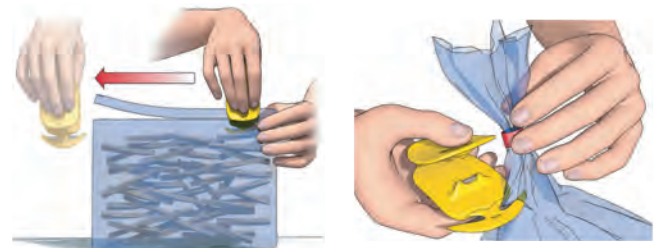

BENEFITS

- Minimizes cross-contamination, which causes foodborne illness
- Reduces injuries associated with loose blades and other unsafe tools in the workplace
- Reduces food product damage and contamination

FEATURES

- NSF certified
- FDA compliant, food-safe materials
- Stainless steel blade resists corrosion and breakage
- One tool for multiple applications
- High visibility color
- Ergonomically designed for ease of use
- Easy to clean, dishwasher & sanitizer safe
- Serial numbering available

Use to easily open knotted bags

Accessories Available

CAUTION: Products that provide "cut resistance" and "cut protection" or "puncture resistance" do not prevent or eliminate the potential for cuts or punctures.
