

The Heater™

Hot Plate

Keep Your Hot Food Hot, For Longer!

A must-have accessory for your Sterno Delivery Insulated Food Carriers (IFCs) to help keep meals hot during deliveries with longer routes.

Features & Benefits:

- Offers an additional heat source inside your IFC to keep your food hotter during longer deliveries
- Maintains a temperature of 200°F for 1 hour
- Lightweight for ease of transporting
- No cords or plugs needed to provide an On-the-Go heat solution
- A great accessory for Meals On Wheels programs
