

ULTIMATE PROTECTION | ALL DAY USE | EXTREME COMFORT | TUCKER QUALITY

Whizard® Hi-Vis Cut Resistant Glove

CUT RESISTANT GLOVE

When you need to work with sharp tools and objects, hands need protection. Tucker Cut Resistant Gloves give hands the best protection from direct contact with sharp edges such as knives and slicer blades.

ANSI Level 5 / A6
Cut Resistance

WHIZARD® CUT RESISTANT GLOVE

- Combination of high performance fibers and stainless steel filament create excellent tensile strength and superior cut protection
- Soft, comfortable fit for all day use
- Orange high-visibility safety color
- Non-absorbent, food grade yarn/fibers feature inherent anti-microbial protection that will never wash or wear out of the glove
- Antimicrobial agent is NSF certified under Standard 51 for food equipment and materials
- ANSI level 5 / A6 cut resistance
- Ambidextrous
- Preswashed and preshrunk

APPLICATIONS: Food preparation, deli and cleaning food slicer / equipment blades

EXTREME COMFORT means gloves stay on hands, even for fine detail work; protective products do not work if they are not worn.

SUPERB FIT, DEXTERITY AND TOUCH SENSITIVITY for maximum control during food preparation.

WITHSTANDS REPEATED WASHING AND SANITIZING without losing protective qualities; bleach and sanitizer safe.

ANTIMICROBIAL PROTECTION protects against the reproduction and spreading of bacteria; glove protects hands and food.

Note: Cut Resistant glove is extremely cut resistant. NOT CUT OR PUNCTURE PROOF.
