Weston PRO 2300 Vacuum Sealer (Stainless Steel)

Specifications on Stainless Steel Vacuum Sealer

Commercial-grade high-powered vacuum sealers get the job done with ease! Perfect for protecting meat, fish or vegetables from the harmful effects that oxygen or freezer burn may cause.

- Commercial-grade vacuum sealer with an extra large Teflon bar for sealing bags up to 15" wide
- Double piston vacuum-pump delivers 28" HG vacuum strength with 935 watts of power
- Uses a double piston pump system to ensure an "Air Tight Seal."
- Capable of 28 inches HG of vacuum seal that will keep food fresh 5 to 6 times longer than traditional storage methods.
- A softer gasket around the sealing chamber so it takes less pressure (pushing down) to start the sealing process
- The unit has a rubber coated power switch to help keep you safe
- Easy Clean Rounded Edge on bottom of tray where any fluid may collect
- Easy to use, bright LED lights let you monitor the stages of the sealing process
- Automatic Mode has simple one-touch vacuum-to-seal operation
- Manual Seal Mode lets you control the amount of vacuum pressure for sealing soft foods, photos, valuables or delicate objects
- Patent pending transparent See-thru acrylic vacuum lid for perfect bag alignment while sealing
- Fan-cooled motor
- Detachable power cord with convenient cord storage compartment
- Stainless Steel, with Cobalt Blue Acrylic Lid
- 19L x 12D x 6H
- One year warranty on parts and materials
- 26 lbs
