PRICE-COMPUTING/PRINTING SCALES / LEVEL 1

A2JR – SIMPLE & VERSATILE

These "LEGAL for TRADE" price-computing scales are affordable, versatile and easy-to-use. One of our best-selling scales, it's a great choice for users new to electronic scales or for those whose needs don't require a more-expensive label-printing scale. Simple to program, the A2JR features 199 Indirect PLUs and 3 Direct PLUs. Scales are kg/lb switchable and include a stainless steel platter and auto power off.

A2JR-30 - SHOWN WITH OPTIONAL DISPLAY POLE

Options include:

- Thermal label-printer (ADLP50 - see below)
- Electronic Display Pole with Rear View
- Model choice of AC-only or AC-or-battery power (LCD models include a rechargeable battery)
- Wet Cover (WC) or Oversize Fish Platter (FP)

Warranty: Two years parts & labor

Note: Platform dimensions for these models are 12" x 8.7."
