**SOCIAL HYGIENE SOLUTIONS**

## **OUR BRAND**

**Alpine Industries, headquartered in Irvington, NJ, is a manufacturer of innovative, solution-based products for commercial and institutional markets worldwide. The Alpine Industries brand is known for its high quality products, specifically in the foodservice and janitorial sectors of the industry.**

**Well known for our up-to-date technology, quality, and space saving designs, contractors and facility managers worldwide rely on Alpine products for system solutions in the categories of foodservice, sanitary maintenance, waste handling, material transport, away-from-home washroom, and safety products. Design innovation by a skilled and dedicated workforce has produced a range of products that are an essential part of any commercial facility throughout the world.**

**Here at Alpine Industries we maintain a strong practice of ongoing product research and development, and combined with a commitment to the customer, this is the foundation of our success!**

## **PRODUCTS**

Every product in the Alpine Industries line is designed and manufactured to the highest industry standards. Our products benefit from a range of approvals in their specific industries.

## **MISSION**

Providing our customers with quality products that enable you to fill your requirements in the most cost effective and reliable way!

## **SERVICES**

Alpine customers benefit from an extensive service and technical support program, complete with customer support, repair and parts facilities.
