TAD SETUP & TAKEDOWN

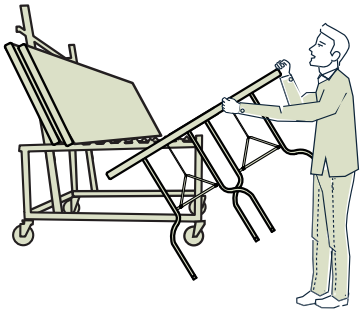

SAY HELLO
TO EFFORTLESS 1-PERSON TABLE SETUP & TAKEDOWN

EASY AS **1-2-3**

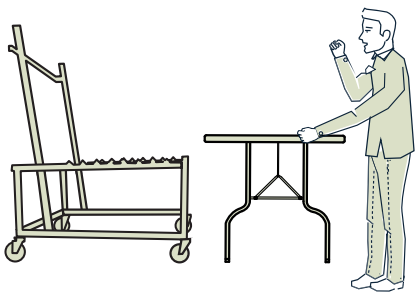

1 Ensure that the safety strap is fastened, and roll the TAD with folded tables to your desired location.

2 Open the safety strap and unfold the legs of the front table. Gently tilt the table to a standing position.

3 The table will come to rest in an upright position. Fasten the safety strap on the remaining tables and the dolly can be rolled away.
