Weston Pro-2300 Stainless Steel Vacuum Sealer
Model Number : 65-0201
UPC: 834742005913

The Stainless Steel Pro-2300 has everything you need in a Vacuum Sealer! SPEED: with a powerful double piston pump and seal bar to finish the job in half the time. FLEXIBILITY: the extra long, 15" seal bar means you can seal a variety of vacuum sealer bag sizes up to 15" wide. POWER: with 935 watts of power, this is one of the most powerful vacuum sealers on the market. It even seals through moisture! DEPENDABILITY: An extra wide, 5mm seal bar creates a solid, dependable seal every time. DURABILITY: the fan cooled motor is designed specifically for continuous, repetitive use without overheating. LED lights monitor the stages of the sealing process. There are two seal modes depending on the type of sealing you are doing. The automatic mode has a simple one-touch operation, while the manual seal mode allows you to control the amount of vacuum pressure when sealing soft foods or delicate objects. The transparent acrylic lid makes it easy to align the bag perfectly for sealing. The power cord is detachable, and fits within a convenient storage compartment.

Bullet Copy	Stainless steel construction Extra wide nonstick heat sealing bar for sealing bags up to 15 inches wide Bright LED lights monitor the stages of the sealing process Double piston vacuum-pump delivers 28" HG vacuum strength with 935 watts of power (120 Volt, 60 Hz) • Stainless steel construction • Double piston vacuum-pump delivers 28” HG vacuum strength with 935 watts of power for rapid seal time • Extra-large Teflon bar can seal bags up to 15 inches wide • See-thru acrylic vacuum lid enables perfect bag alignment while sealing • Auto mode for one-touch operation or manual mode for sealing soft foods, photos, valuables or delicate objects • Easy to use, bright LED lights let you monitor the stages of the sealing • Detachable power cord with convenient storage compartment • Fan cooled motor prevents overheating, ensuring consistent sealing
