

Weston 10 Tray Food Dehydrator

Model Number : 75-0201-W

UPC: 810671018378

The 10 Tray Food Dehydrator by Weston is the perfect way to preserve meats, fruits, vegetables and herbs. Dehydrating retains the natural flavor of foods without additives or preservatives for making great snacks for trips or for at home. The dehydrated foods easily release from the removable trays, which have a combined 10 square feet of drying space. The ultra-quiet fan and rear-mounted drying system circulates air from back to front through each tray - so tray rotation is not required. The unit has a 620 watt heating element, and a color-coded thermostat that adjusts from 84 degrees F to 155 degrees F.

Bullet Copy	<p>Preserve fruits, meats, vegetables and herbs</p> <p>Retains the natural flavor of foods without additives or preservatives</p> <p>Each tray measures 14-1/4" x 10-3/4", for over ten square feet of drying space</p> <p>Ultra-quiet fan with a 620 watt heating element</p> <p>Adjustable thermostat from 84°F to 155°F</p>
