

Classic ecoLOGIC DISPENSERS

**The Logical Choice:
Same Great Products!
Carbon Neutral & Sustainable.**

CFS Brands is committed to offering more eco-friendly products and solutions from recyclable and sustainable materials. Our ecoLogic San Jamar Classic dispensers are made of 100% sustainable ABS resin, adorned with a bright green "eco" logo.

The dispensers are shipped in 100% recycled boxes with instructions on recycled paper. They're sealed in biodegradable bags made from up to 20% plant-based polymer.

Facilities that use San Jamar Classic ecoLogic dispensers can also reduce paper costs and lower their carbon footprint by filling them with universal recycled paper products.

Features & Benefits

- **Reduce, Reuse, Recycle:** Made from 100% recycled material, sourced directly from landfills, which reduces our carbon footprint with sustainable manufacturing*
- **Show The World:** Eye-catching logo tells the world you care
- **Recycled Packaging:** 100% recycled and recyclable boxes and instructions
- **Plant-Based Material:** Biodegradable bags made from 20% plant-based polymer
- **Large Selection:** Wide variety of products you know and love
