### Specifications

Carton quantity	1
Dimensions (L x W x H)	15.75" x 17.5" x 8"
Weight	13 lbs.

### Features

- |                               |   |
|-------------------------------|---|
| Air Vent on lid               | — Minimizes condensation build up.                                |
| Bolt & Screw Assembly         | — Making chafing dish 100% repairable.                            |
| Clad bottom                   | — Eliminates hot spots that cause food to stick and burn.         |
|                               | — Makes this chafer induction, electric heat & canned fuel ready. |
| Elegantly Durable             | — Designed from heavy gauged polished stainless.                  |
| Lid captures condensation     | — Prevents water from dripping on food.                           |
| Removable base/stand          | — Chafer can be used on induction counter or as a drop-in.        |
| Replacement parts and service | — Protecting your investment for years to come.                   |
| Self Closing Lid              | — Prevents cold food from an open lid.                            |
| Stainless Steel               | — Food safe and easy to clean.                                    |
| Stainless Steel construction  | — Provides durability and strength.                               |
| Water Recycling System        | — Allows for less refilling of the water pan.                     |
