

The Domino Pizza Server Set is SMART!

1A19467 ●

DOMINO is a completely new concept in modular buffet systems. The DOMINO Pizza Server Set is the perfect way to add pizza to your Domino Buffet! The Stainless Steel Heat Lamp attaches to the Medium Dish Stand to keep your pizza HOT on the specially designed NSF cutting board. The items can be used as a complete display or individually. All DOMINO components can share legs so you can weave together pieces to build it your way. Additional components & pieces can be purchased separately.
