Product Usage

These stainless steel and copper scrubbers are great for removing stuck-on foods and messes from pots, pans, grills, ovens, and more. They can be used wet or dry and are a staple item in the foodservice industry. Outside of cleaning in the kitchen, these scrubbers are great for any clean ups of tough, stuck-on dirt and grime. They can also be used to polish wood and stone products. Not recommended for non-stick surfaces.

#63 Stainless Steel Scrubbers

- 3" x 3" x 1" round, woven steel fibers.
- Unit pack contains 2 scrubbers.
- Stainless steel, rust free.
- Long-lasting and flexible to easily reach tough spots.
