Product Usage

These cleaning tools are great for removing grime and grout on bathroom tile, shower/bathtub walls and basins, and the hard-to-reach areas behind toilets. Great for maid services, residential/commercial contract cleaners, and hotel housekeeping crews.

#1259 Wall/Floor Scrubber with Extendable Handle

- Ergonomic, swivel hanger tip for easy storage
- Sturdy, polypropylene molded components
- Thick scouring pad attaches to frame conveniently with a hook-and-loop attachment
- 360° pivoting head makes reaching tough spots easy
- Steel handle extends and contracts for high or low scrubbing
- Replacement pads are #1260 (2 pads per unit pack)

Total Length Extended	52"	Total Length Compacted	33.5"
Pad	10.75"x5.25"x1"	Handle Grip Length	5"
