Keep Classroom Supplies Neat and Organized.

Mobile Bin Storage Units

The right storage system keeps classroom supplies neatly organized and out of the way, is space-saving, and can be rolled anywhere. That's why Luxor's Mobile Bin Storage Systems are a favorite among teachers. Available in multiple sizes and configurations, there's a model that will perfectly fit your needs. Education-friendly features include:

- Bins measure 12.25" W x 16.75" D and come in your choice of 3" and 6" depths
- Bins are available in clear and opaque gray
- Bins are easily removable, have label inserts, and a 20-lb. weight capacity
- Built-in safety feature prevents students from accidentally pulling bins off their tracks
- Quality casters - two with locking brakes - roll smoothly on hard floors and carpet
- Easy assembly
- Easy to clean
- Offers a generously-sized flat-top surface

Mobile Bin Storage Unit - Clear Bins

Educators appreciate Luxor's transparent bin storage units because they allow you to see the contents at a glance. And if your needs change in the future, extra clear bins are available in eight-packs of the small size, and four-packs of the large.
