

STUDENT DESK AND CHAIR

LIGHTWEIGHT STACKABLE STUDENT DESK AND CHAIR

The Luxor Lightweight Stackable Student Desk and Chair is an ideal solution when you need an affordable, value-packed classroom desk and chair set that's easy to arrange and stow when not in use.

Highlighted by a modern design with an attractive Slate Gray top accented by a white frame, it's perfect for dynamic, adaptive learning environments where rooms are routinely rearranged for activities. Thanks to the minimalist construction and 15.6 lb. weight, the desk can be effortlessly moved around a classroom, and then stacked up to 6 high for space savings and easy storage. Set includes one desk with a matching chair.
