Benefits That Are Easy to See

And easy to customize! Nemco's list of Easy Shield options is expanding all the time and we're ready to meet your unique application needs.

Add a Health Component to Your Employee or Customer Interactions

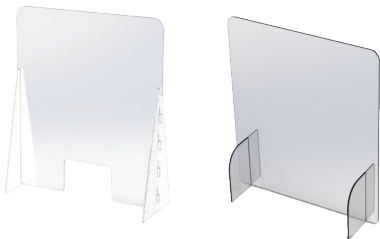

- Provides a clear, sanitary-positive barrier that improves health and safety, while preserving the visibility necessary for friendly customer-service and other face-to-face engagements.
- Simple designs—whether free-standing, mounted or hanging from the ceiling—make assembly and installation extremely easy.
- Highly stable, yet lightweight for convenient mobility from one workspace to another, if needed.

Designed for Commercial Use

- Manufactured of tough, durable polycarbonate
- Easy to clean (with wipes approved for polycarbonate)
- Scratch-resistant to preserve a clear, friendly-facing appearance

Free-Standing Models

Conveniently set up and take down an Easy Shield just about anywhere.

Tab-in-Slot designs for optimum stability.

Slot-in-Slot designs for a cleaner look.

Some applications might require anchoring your Easy Shield to the surface on which it sits.

Mounted Models

Save counter space with an Easy Shield securely fixed to a wall, desk or other surface.

Wall-mounted designs.

Furniture-mounted designs.

Hanging Models

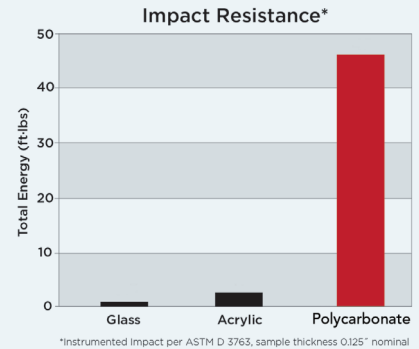

Create an Easy Shield barrier in even the most congested areas.

Model #69798 includes six feet of chain, already attached, and hardware that easily mounts to existing ceiling tiles. All other models do not include hardware.

Custom sizing available
Just ask when you call

Don't be fooled by inferior partitions made of acrylic. Easy Shields are stronger, far more durable and provide longer-lasting scratch resistance and clarity.

to see the difference

Suggested Uses

Great for any operation that would like to maintain a simple, pro-hygienic barrier between individuals, without the cost or inconvenience of a major remodeling project.

General Specifications

Model	Description	Thickness	Dimensions (w x d x h)
Pass-Thru			
69792-24	Countertop	1/4"	24" x 12" x 42"
