# Easy Flowering Onion™ Cutter

Take all the labor out of this high-dollar customer favorite for a profit of 700% or more!

Manufactured  
In The USA 

# a 'Colossal' Moneymaking Opportunity

Cash in big time on the immensely popular flowering-onion appetizer with this easy-to-use manual tool that reduces all the painstaking labor down to one pull of a handle.

## Super-Fast ROI

When you can make 'em as fast as they eat 'em, just imagine. . . This machine pays for itself after only one 50 lb. bag of colossal onions!

- Load a peeled onion and pull the lever. It's that simple and fast. All the labor comes out of the process, but not the presentation—or the price.
- The ergonomic handle and lever action take all the strain off the user, further maximizing productivity.
- Easily disassembles for cleaning too!

## Relentless Performance

For a menu item this popular, you can't afford a breakdown.

- All cast-aluminum and stainless-steel construction for durability.
- High-strength bearings stand up to nonstop, heavy-duty activity.
- Wide base and suction-cup feet provide reliable balance and stability—yet, it remains extremely portable.
- Compact design makes it easy to fit on the countertop or store away.

## Suggested Uses

Create the perfect signature-item appetizer using colossal or regular-sized onions. Or dip the ends of a flowered raw onion in food coloring to produce a magnificent onion garnish.

## General Specifications

For Model No. 55700

### Dimensions

Equipment (w x d x h)	13½" x 11¼" x 17"
Shipping carton (w x d x h)	14¼" x 18½" x 17¼"
Equipment weight	16 lbs.
Shipping weight	20 lbs.

## Optional Accessories

Model	Description
55511	Blade assembly

## Core Cutter

**The Easy Flowering Onion Cutter's sidekick**  
The Core Cutter easily removes the onion core, creating a space to add a ramekin filled with delicious dipping sauce. Unit comes with two different core cutter sizes—2¾" and 1¾"—and an adapter that works for smaller onions.

Replacement parts are available through Nemco's 24-hour Zip Program.

Nemco reserves the right to make design, specification or model changes without notice.
