

NON-SLIP BAR & SERVING TRAYS

14 INCH NON-SLIP ROUND TRAY, 18/8 STAINLESS STEEL, SILICONE INSERT, BLACK ONYX FINISH

Our Non-Slip Removable Insert Trays feature a removable rubber insert allowing for versatility. Add the insert to create a non-slip surface for glasses and plates, or take it out for an elegant appetizer plate presentation. Constructed from 18/8 stainless steel and available in four metallic finishes: vintage gold, rose gold, and dark tungsten, and black onyx.

FEATURES AND BENEFITS

- Removable non-slip rubber insert
- Stackable for neat and organized storage
- 18/8 stainless steel construction
